## Patent Acquisition Opportunity

---

The information in this package is provided for the sole purpose of supporting the independent evaluation of these patents by prospective buyers, and does not constitute legal opinion or representation. Any discussion of the potential use of the patented inventions by particular products is for illustration purposes only and is not intended to be, nor should they be construed as, notice of, or any form of accusation of, infringement of any of the indicated patents by any products. In addition, the materials provided by GTT Group are copyrighted material and are intended for use by the receiving party solely for their use in determining whether to purchase the patents offered for sale by GTT Group and their participation in the sales process run by GTT Group.

## Opportunity Summary

- GTT Group is exclusively representing the sale of five issued U.S. patents and one pending U.S. application, all relevant to message notification to mobile devices.
- The patents apply to mobile messaging solutions that provide push notifications to mobile devices through intermediary content notification services.
- Select parties will be presented the opportunity to review this portfolio.
- The patents are unencumbered.
- GTT Group has developed supporting market adoption materials that are available under non-disclosure, non-notice provisions.

## Transaction Structure

Seller prefers an all-cash transaction.

## Bidding Deadline

All interested parties should plan on placing an offer by September 24, 2015.

## Submitting an Offer

Offers should be submitted in writing from an authorized party stating the price offered and any material condition to closing.

## Pricing

No price floor has been set. Seller reserves the right to accept any offer and refuse any and all offers in its sole and arbitrary discretion. GTT Group is able to provide value guidance to qualified interested parties.
