Cloud Networking and Communications Portfolio

Patent Acquisition Opportunity

The information in this package is provided for the sole purpose of supporting the independent evaluation of these patents by prospective buyers, and does not constitute legal opinion or representation. Any discussion of the potential use of the patented inventions by particular products is for illustration purposes only and is not intended to be, nor should they be construed as, notice of, or any form of accusation of, infringement of any of the indicated patents by any products. In addition, the materials provided by GTT Group are copyrighted material and are intended for use by the receiving party solely for their use in determining whether to purchase the patents offered for sale by GTT Group and their participation in the sales process run by GTT Group. The views expressed in this document do not necessarily represent the views of the Seller.

Opportunity Summary

- GTT Group is exclusively representing the sale of 48 issued US patents in seven families.
- The portfolio relates to cloud-based communications, software defined networking and networking equipment. Exemplary claims in the portfolio relate to:
 - Unified communications solutions that include support for in-bound call notifications.
 - Cloud-based PBX services that link a user's login credentials to their network location (e.g., IP address).
 - Virtualization in cloud-based platforms.
 - Network switching equipment that support IGMP and MLD snooping.
- GTT Group has developed normalized evidence of use (EOU) materials that are available for qualified purchasers. Please contact GTT Group for further information.

Transaction Structure

Seller prefers an all-cash transaction.

Bidding Deadline

All interested parties should plan on placing an offer by November 15, 2016.

Submitting an Offer

Offers should be submitted in writing from an authorized party stating the price offered and any material condition to closing.

Pricing

No price floor has been set. Seller reserves the right to accept any offer and refuse any and all offers in its sole and arbitrary discretion. GTT Group is able to provide value guidance to qualified interested parties.

Non-Notice

Seller has agreed that the information provided to prospective purchasers throughout this sales campaign will not be used in any legal or administrative proceeding directed to enforcement of any patent associated with the Cloud Networking and Communications Portfolio.

Evidence of Use

GTT Group is prepared to discuss market adoption and present claim charts to interested parties under Seller approved non-disclosure agreement.

Encumbrances

Encumbrance information will be provided under NDA.
